

## Charity Partnering Application

Thank you for your interest in partnering with the ALA Capital Chapter and the Capital Chapter Foundation!

### About the Chapter and its Foundation

The ALA Capital Chapter was founded over 37 years ago to ensure the quality of management in legal services organizations in the DC area. It provides networking and educational opportunities to individuals in the legal services industry.

To continue the Chapter’s rich history of charitable giving and community service, the Chapter created the ALA Capital Chapter Foundation. The Foundation was formed to provide a permanent funding vehicle for the Chapter’s charitable and community activities. The Foundation operates with tax-deductible charitable contributions from law firms and legal organizations, attorneys and legal administrators, and vendors and friends of the legal community. These contributions support the Foundation’s programs.

The Foundation awards scholarships to college-bound seniors from DC area public schools and holds an annual fundraising event. A new charity located in Washington DC is chosen each year and receives the benefits of the Chapter’s efforts.
