Dear Business Partners

Happy New Year! It's 2011 and I am thrilled to start a new year with new ideas and new experiences. We have a wonderful mix of old and new sponsors and I am excited to get started with our meetings, plan events, exchange ideas and embrace changes! Changes are inevitable and we are making changes in ALA Capital Chapter in response to feedback from our Members and Business Partners. The new partner program has been expanded and the Executive Committee is actively planning networking opportunities, special events and educational programs. Come to the first Partner Advisory meeting on February 17th at 12:30 at Sidley (check the ALA Capital Chapter website and calendar to RSVP) to learn about the changes! We will provide you with information on upcoming events, discuss changes to the website and have an open dialogue regarding changes in the legal community and how these changes are affecting your business and our membership. As a reminder, I am your liaison to the Executive Committee. If you have any ideas, concerns, etc... please reach out to me at dot.mooney@bbrlaw.com I look forward to seeing you soon!
